

FutureTechFactory

Online IT Academy

Learn. Recommend. Earn.

 Futuretechfactory

About the product

01 **Courses:** Java / Python / Business Analyst

02 **Learning format:** online

03 **Certificate + Real practise**

04 **All in English**

Purpose

Special price for your friends:
\$149 with your coupon

 FutureTechFactory

Why it's easy to sell?

1. **Affordable price** (\$149 instead of \$249)
2. **Friends** really need IT + English
3. Fully **automated platform** (instant access after payment)

 FutureTechFactory

Partnership with us

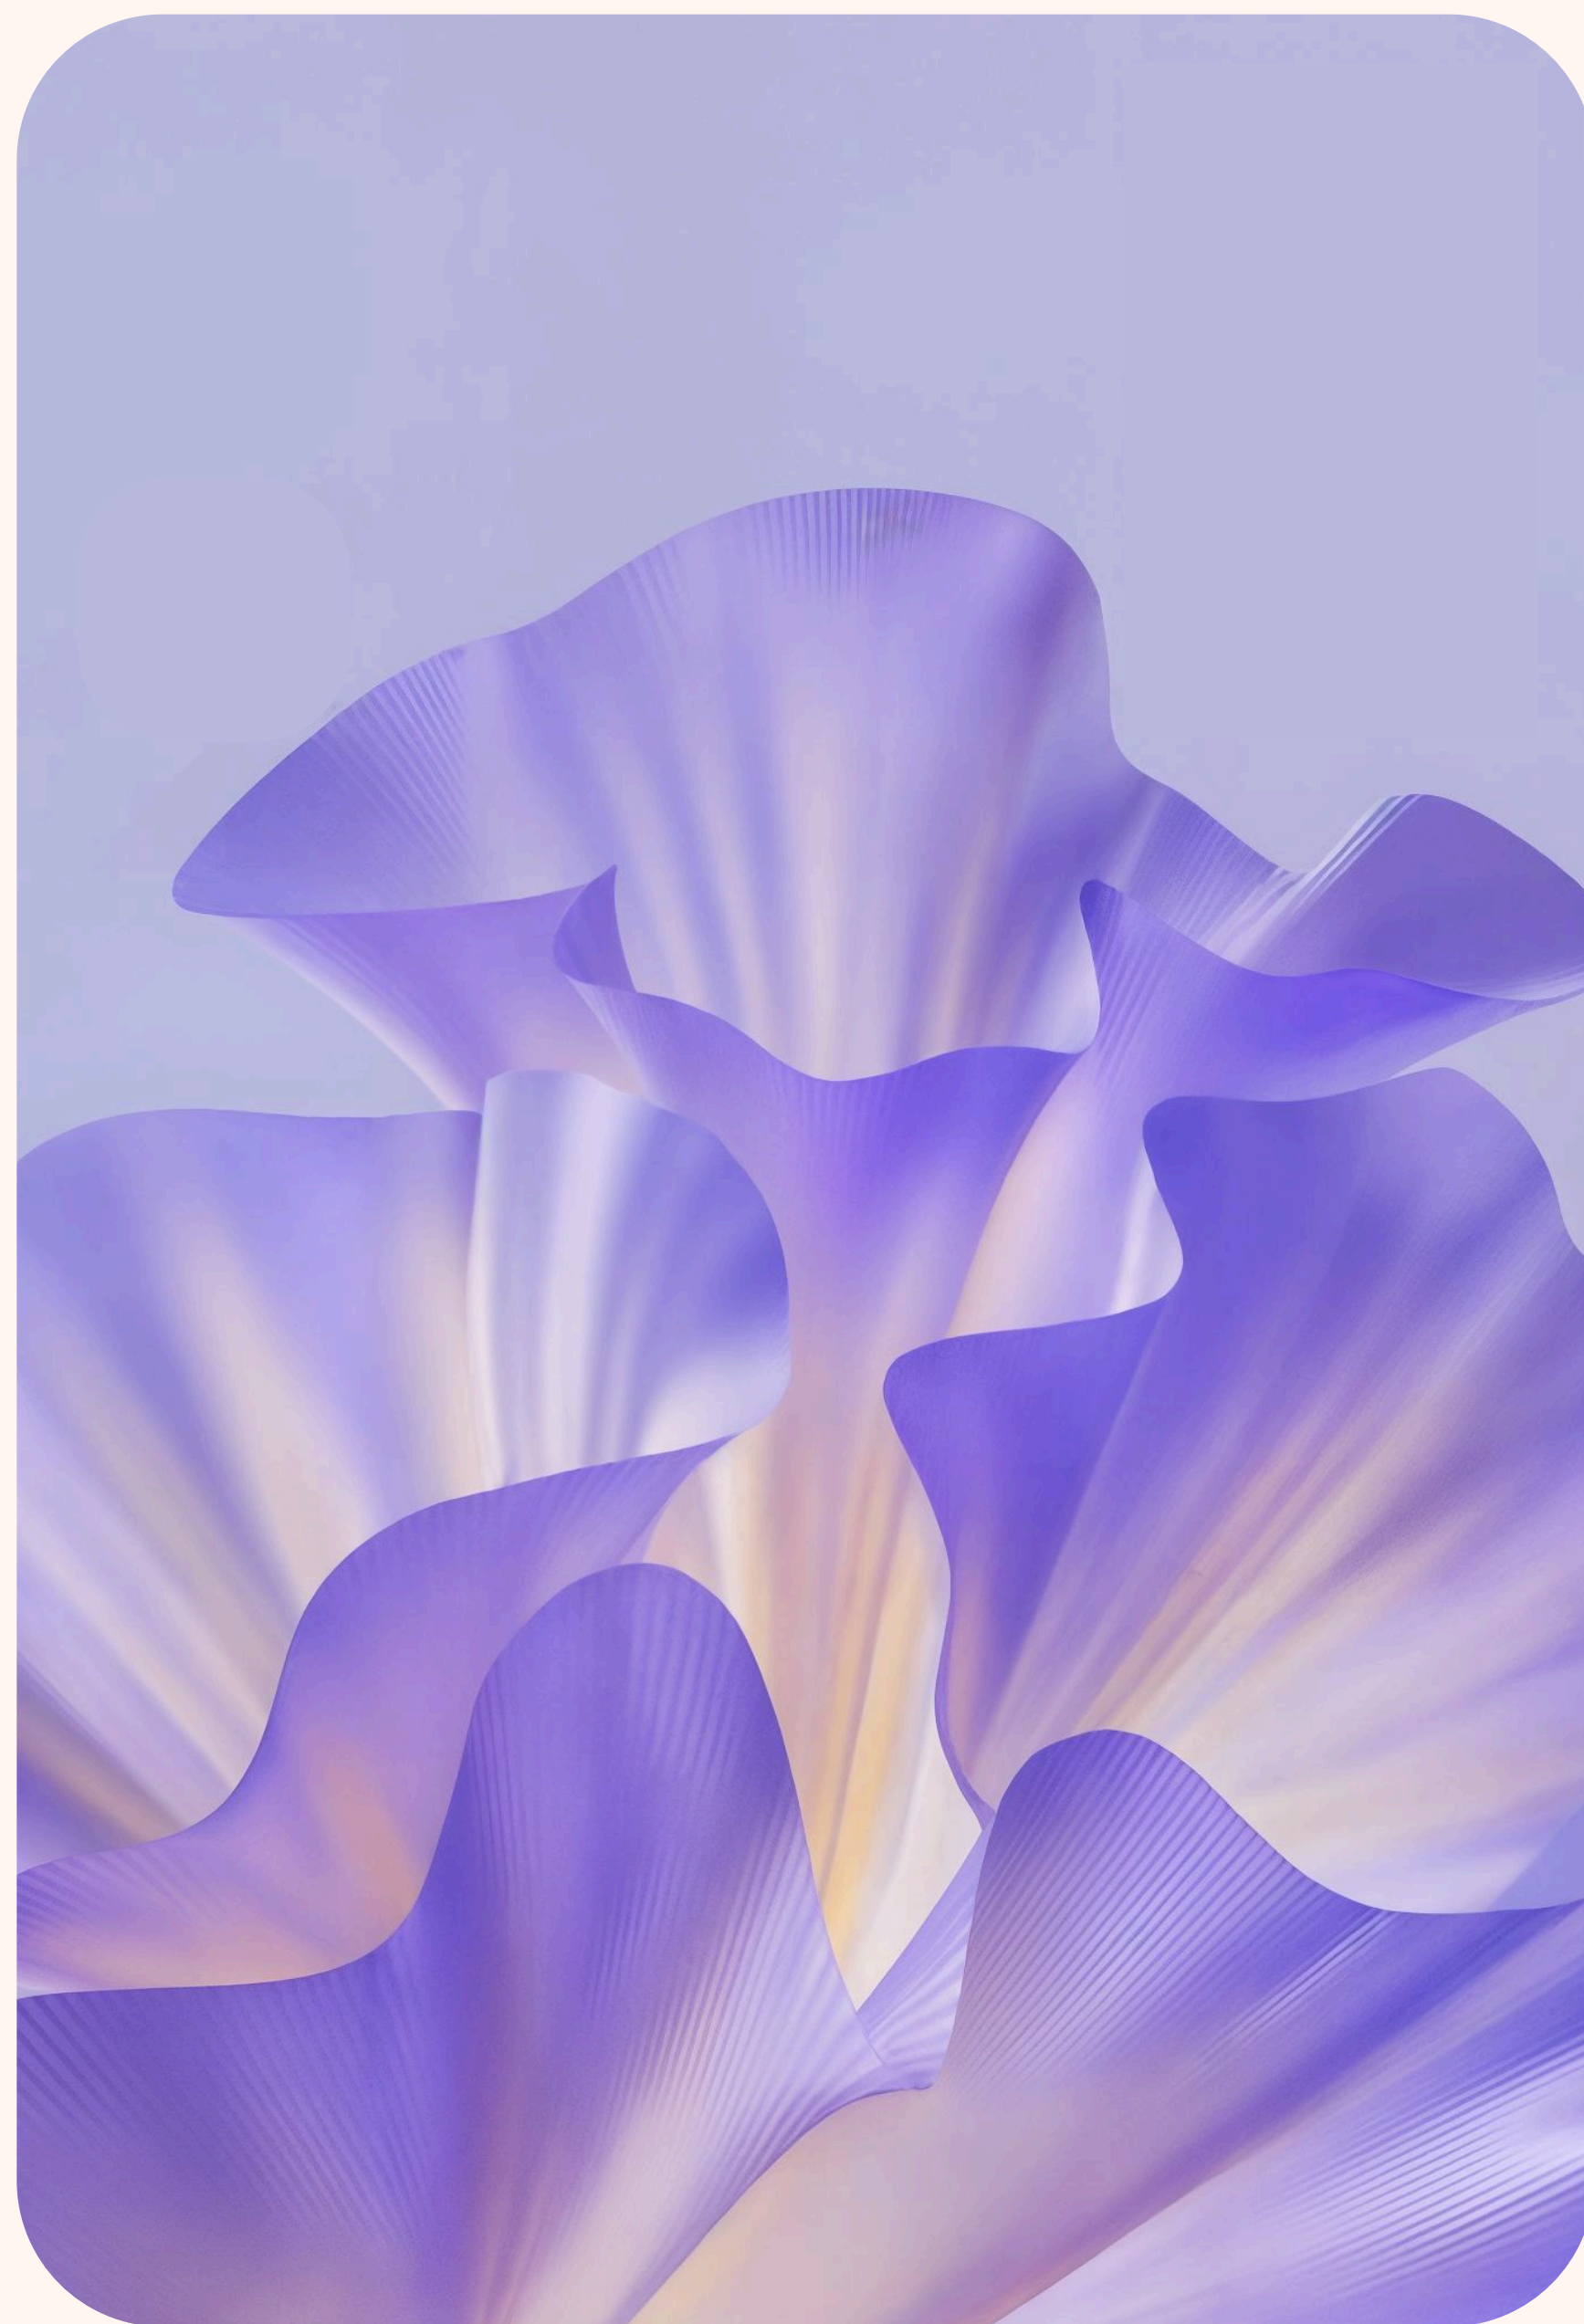

How it works:

- **Clear reporting** - Google sheet, full transparency
- **We help** with creatives & ready-to-use texts
- **Payouts** from 2 to 14 days (depending on region)
- **You earn \$49 per sale**
- **5+ sales** per month → bonus
- Bring a **new partner** → extra reward
- **Want to scale?** We'll discuss special conditions
- You'll have your **own referral links** and coupons

 FutureTechFactory

Why it's worth it for you?

1. **1 friend who buys a course** = \$49 straight to you
2. **5 friends a month** = \$300+ with bonuses
3. **Work** from anywhere, anytime
4. **No limits**, no boss, no stress
